

**Undergraduate Courses -- Department of Plant Biology, Ecology, and Evolution**

| Course                                                  | Every Fall | Every Spring | Every Sum | Even Yr Fall | Odd Yr Fall | Even Yr Spring | Odd Yr Spring | Instructor    |
|---------------------------------------------------------|------------|--------------|-----------|--------------|-------------|----------------|---------------|---------------|
| BIOL 1114 - Introductory Biology                        | X          | X            |           |              |             |                |               | Parker        |
| BIOL 3023 - General Genetics                            | X          | X            |           |              |             |                |               | Parker        |
| BIOL 3034 - General Ecology                             | X          | X            |           |              |             |                |               | Adams         |
| PBIO 1052 - How Plants Shaped Our World                 | X          | X            |           |              |             |                |               | Greer         |
| PBIO 1404 - Plant Biology                               | X          | X            |           |              |             |                |               | Watson/Parker |
| PBIO 2890 - Honors Experience in Plant Biology          | X          | X            |           |              |             |                |               | All Faculty   |
| PBIO 3114 - Plant Taxonomy                              |            |              |           |              |             |                | X             | Watson        |
| PBIO 3253 - Environment & Society                       |            | X            |           |              |             |                |               | Henley        |
| PBIO 3263 - Plants & People                             | X          |              |           |              |             |                |               | Greer/Watson  |
| PBIO 3273 - Medical Botany                              |            |              | X         |              |             |                |               | Watson        |
| PBIO 3553 - Fungi: Myths and More                       |            |              |           |              | X           |                |               | Marek         |
| PBIO 3890 - Advanced Honors Experience in Plant Biology | X          | X            |           |              |             |                |               | All Faculty   |
| PBIO 4005 - Field Botany                                | X          |              |           |              |             |                |               | Fishbein      |
| PBIO 4013 - Biological Microtechnique                   |            | X            |           |              |             |                |               | Yang          |
| PBIO 4233 - Plant Anatomy                               | X          |              |           |              |             |                |               | Yang          |
| PBIO 4400 - Undergraduate Research                      | X          | X            | X         |              |             |                |               | All Faculty   |
| PBIO 4423 - Plant Mineral Nutrition                     |            |              |           |              | X           |                |               | Schönknecht   |
| PBIO 4462 - Plant Physiology Lab                        |            | X            |           |              |             |                |               | Schönknecht   |
| PBIO 4463 - Plant Physiology                            |            | X            |           |              |             |                |               | Schönknecht   |
| PBIO 4524 - Biological Laboratory Instrumentation       | X          |              |           |              |             |                |               | Wood          |
| PBIO 4553 - Molecular Phylogenetic Analysis             |            |              |           |              |             |                | X             | Doust         |
| PBIO 4800 - Senior Honors Thesis                        | X          | X            | X         |              |             |                |               | All Faculty   |
| PBIO 4910 - Internship in Plant Biology                 | X          | X            | X         |              |             |                |               | All Faculty   |
| PBIO 4990 - Independent Study in Plant Biology          | X          | X            | X         |              |             |                |               | All Faculty   |
